Transportation and Related Equipment Technical Advisory Committee; Notice of Partially Closed Meeting

The Transportation and Related Equipment Technical Advisory Committee will meet on May 11, 2022, at 11:30 a.m., Eastern Daylight Time, via teleconference. The Committee advises the Office of the Assistant Secretary for Export Administration with respect to technical questions that affect the level of export controls applicable to transportation and related equipment or technology.

Agenda

Public Session
1. Welcome and Introductions.
2. Status reports by working group chairs.
3. Public comments and Proposals.

Closed Session
4. Discussion of matters determined to be exempt from the provisions relating to public meetings found in 5 U.S.C. App. §§ 10(a)(1) and 10(a)(3).

The open session will be accessible via teleconference. To join the conference, submit inquiries to Ms. Yvette Springer at Yvette.Springer@bis.doc.gov no later than May 4, 2022.

To the extent time permits, members of the public may present oral statements to the Committee. The public may submit written statements at any time before or after the meeting. However, to facilitate distribution of public presentation materials to Committee members, the Committee suggests that presenters forward the public presentation materials prior to the meeting to Ms. Springer via email.

The Assistant Secretary for Administration, with the concurrence of the delegate of the General Counsel, formally determined on February 14, 2022, pursuant to Section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App. §10(d)), that the portion of the meeting dealing with pre-decisional changes to the Commerce Control List and U.S. export control policies shall be exempt from the provisions relating to public meetings found in 5 U.S.C. App. §§ 10(a)(1) and 10(a)(3). The remaining portions of the meeting will be open to the public.

For more information, contact Yvette Springer via email.

Yvette Springer,
Committee Liaison Officer.

Materials and Equipment Technical Advisory Committee; Notice of Partially Closed Meeting

The Materials and Equipment Technical Advisory Committee will meet on May 12, 2022, 10:00 a.m., Eastern Daylight Time, via teleconference. The Committee advises the Office of the Assistant Secretary for Export Administration with respect to technical questions that affect the level of export controls applicable to materials and related technology.

Agenda

Open Session
1. Opening Remarks and Introduction by BIS Senior Management.
2. Report from working groups.

Closed Session
4. Discussion of matters determined to be exempt from the provisions relating to public meetings found in 5 U.S.C. App. §§ 10(a)(1) and 10(a)(3).

The open session will be accessible via teleconference on a first come, first serve basis. To join the conference, submit inquiries to Ms. Yvette Springer at Yvette.Springer@bis.doc.gov, no later than May 5, 2022.

To the extent time permits, members of the public may present oral statements to the Committee. Written statements may be submitted at any time before or after the meeting. However, to facilitate distribution of public presentation materials to Committee members, the materials should be forwarded prior to the meeting to Ms. Springer via email.

The Assistant Secretary for Administration, with the concurrence of the delegate of the General Counsel, formally determined on February 14, 2022, pursuant to Section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App. §10(d)), that the portion of the meeting dealing with pre-decisional changes to the Commerce Control List and the U.S. export control policies shall be exempt from the provisions relating to public meetings found in 5 U.S.C. App. §§ 10(a)(1) and 10(a)(3). The remaining portions of the meeting will be open to the public.

For more information, contact Yvette Springer via email.

Yvette Springer,
Committee Liaison Officer.

National Institute of Standards and Technology

Advisory Committee on Earthquake Hazards Reduction Meeting

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of open meeting.

SUMMARY: The Advisory Committee on Earthquake Hazards Reduction (ACEHR or Committee) will hold an open virtual meeting via web conference on Tuesday, August 23, 2022, from 1:00 p.m. to 4:00 p.m. and Wednesday, August 24, 2022, from 1:00 p.m. to 4:00 p.m. Eastern Time. The primary purpose of this meeting is for the Committee to review the activities of the National Earthquake Hazards Reduction Program (NEHRP). The agenda may change to accommodate Committee business. The final agenda and any meeting materials will be posted on the NEHRP website at https://nehrp.gov/committees/meetings.htm.

DATES: The ACEHR will meet on Tuesday, August 23, 2022, from 1:00 p.m. to 4:00 p.m. and Wednesday, August 24, 2022, from 1:00 p.m. to 4:00 p.m. Eastern Time.

ADDRESSES: The meeting will be held via web conference. For instructions on how to participate in the meeting, please see the SUPPLEMENTARY INFORMATION section of this notice.
FOR FURTHER INFORMATION CONTACT: Tina Faecke, Management and Program Analyst, NEHRP, Engineering Laboratory, NIST, 100 Bureau Drive, Mail Stop 8604, Gaithersburg, Maryland 20899–8604. Ms. Faecke’s email address is tina.faecke@nist.gov and her phone number is (301) 975–5911.

SUPPLEMENTARY INFORMATION:

FOR FURTHER INFORMATION CONTACT:

Anyone wishing to attend this meeting via web conference must register by 5:00 p.m. Eastern Time, Tuesday, August 16, 2022. Please submit your full name, the organization you represent (if applicable), email address, and phone number to Tina Faecke at tina.faecke@nist.gov.

Alicia Chambers,
NIST Executive Secretariat.

For further information, please contact Essex W. Brown III, NIST Office of Personnel Management System (APMS) at the National Institute of Standards and Technology (NIST), and published the plan in the Federal Register on October 2, 1987 (52 FR 37082). The published demonstration project plan was modified twice, once to clarify certain NIST authorities (54 FR 21331, May 17, 1989) and once to revise the performance appraisal system and the pay administration system in order to better link pay with performance (55 FR 39220, September 25, 1990). The APMS was made permanent in Section 10 of the National Technology Transfer and Advancement Act of 1995, Public Law 104–113, 110 Stat. 775 (Mar. 7, 1996) (codified at 15 U.S.C. 275 note), and the project plan and subsequent amendments were consolidated in the final APMS plan, which was published in the Federal Register on October 21, 1997 (62 FR 54604). NIST published ten subsequent amendments to the final APMS plan: One on May 6, 2005 (70 FR 23996), which became effective upon publication in the Federal Register; on July 15, 2008 (73 FR 40500), which became effective on October 1, 2008; one on July 21, 2009 (74 FR 35841), which became effective upon publication in the Federal Register; one on January 5, 2011 (76 FR 539), which became effective upon publication in the Federal Register; one on June 19, 2012 (77 FR 36485), which became effective upon publication in the Federal Register; one on August 13, 2012 (77 FR 48128), which became effective upon publication in the Federal Register; one on August 24, 2012 (77 FR 51318), which became effective upon publication in the Federal Register; one on September 24, 2015 (80 FR 57580), which became effective upon publication in the Federal Register; one on July 21, 2009 (74 FR 35843), which became effective upon publication in the Federal Register; and one on April 11, 2019 (84 FR 14654), which became effective upon publication in the Federal Register.

The APMS allows for modifications to be made as experience is gained, results are analyzed, and conclusions are reached on how the system is working. Through this notice, NIST recognizes a modification within the APMS plan that allows NIST to:

(a) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(b) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(c) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(d) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(e) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(f) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(g) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(h) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(i) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(j) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(k) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(l) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(m) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(n) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(o) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(p) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(q) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(r) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(s) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(t) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(u) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(v) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(w) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(x) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(y) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.

(z) Implement a term appointment, with a minimum duration of more than one year that may be extended up to six years, for research positions in the Scientific and Engineering (ZP) career path at the Pay Band III-level and above.
