During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under 19 CFR 351.211 or a determination under 19 CFR 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine, consistent with FAC Italia v. United States, 291 F.3d 806 (Fed Cir. 2002), as appropriate, whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures “gap” period, of the order, if such a gap period is applicable to the period of review.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures, 73 FR 3634 (January 22, 2008). Those procedures apply to administrative reviews included in this notice of initiation. Parties wishing to participate in any of these administrative reviews should ensure that they meet the requirements of these procedures (e.g., the filing of separate letters of appearance as discussed at 19 CFR 351.103(d)).

These initiatives and this notice are in accordance with section 751(a) of the Tariff Act of 1930, as amended (19 USC 1675(a)) and 19 CFR 351.221(c)(1)(i).
Committee’s affairs are invited to request a place on the agenda. On November 24, 2009, approximately one-half hour will be reserved near the conclusion of the meeting for public comments, and speaking times will be assigned on a first-come, first-served basis. The amount of time per speaker will be determined by the number of requests received, but is likely to be about 3 minutes each. Questions from the public will not be considered during this period. Speakers who wish to expand upon their oral statements, those who had wished to speak but could not be accommodated on the agenda, and those who were unable to attend in person are invited to submit written statements to the ACEHR, National Institute of Standards and Technology, 100 Bureau Drive, MS 8630, Gaithersburg, Maryland 20899–8630, via fax at (301) 975–5433, or electronically by e-mail to info@nehrp.gov.

All visitors to the National Science Foundation campus are required to pre-register to be admitted. Anyone wishing to attend this meeting must register by close of business Monday, November 16, in order to attend. Please submit your name, time of arrival, e-mail address, and phone number to Tina Faecke. Non-U.S. citizens must also submit their country of citizenship, title, employer/sponsor, and address. Ms. Faecke’s e-mail address is tina.faecke@nist.gov and her phone number is (301) 975–5911.
